## Invitation letter from Course Presidents

Dear Colleagues,

On behalf of the ESUT laparoscopy training group, Sudan Urology Association, TURKUROLAP laparoscopy group and Turkish Cooperation and Coordination Agency it is our pleasure to introduce the 30th Applied Laparoscopic Urology Course, which will be held in Khartoum, Sudan between 6-10 March, 2015 with 3rd Sudan Urology conference.

The course is including a basic theoretical and practical part and advanced part with live operations under supervision of the experts in 3 different hospitals in Khartoum. The basic laparoscopic training program (EBLUS) is including a theoretical and practical exam which will be certified by the EAU. The advanced course is based on the ESUT advanced laparoscopy training program which has been developed by the ESUT laparoscopy training group experts.

We aim to share our experience and knowledge on various aspects of the laparoscopy training with our colleagues and participants and looking forward to welcome you in 30th Applied Laparoscopic Urology Course in Khartoum.
